

AUTOSCRUBBERS

FIMAP Genie

Smart & Easy Spot Cleaning

The Genie is a baby autoscrubber that is half the size of normal autoscrubbers but works as well. It is recommended for smaller production areas of less than 3500 sqft. The Genie is the perfect machine to replace the mop and bucket, shaving hours off cleaning times and improving productivity.

Available in **Battery** and **Electrical Cable** versions. Made in Italy.

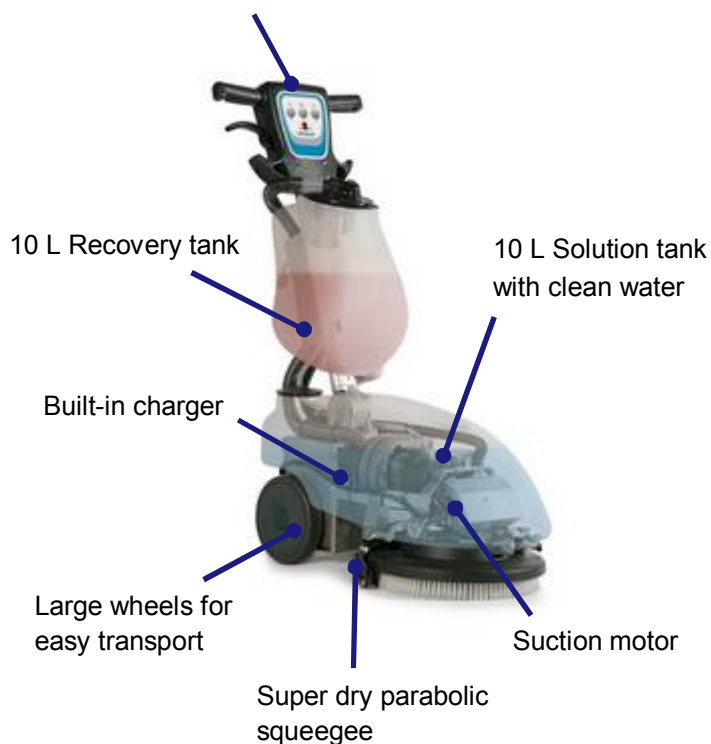

5 Important Benefits

- ✓ Smallest autoscrubber in Singapore
- ✓ Very easy to operate - only 3 buttons
- ✓ Low maintenance - easily accessible
- ✓ Small storage area required
- ✓ Reduce the potential for slips and falls

Super compact design which allows scrubbing, drying and sanitising in a single pass.

A **180° flexible** handle bar is specifically designed for greater ease of storage and transport.

Simple and user-friendly control panel

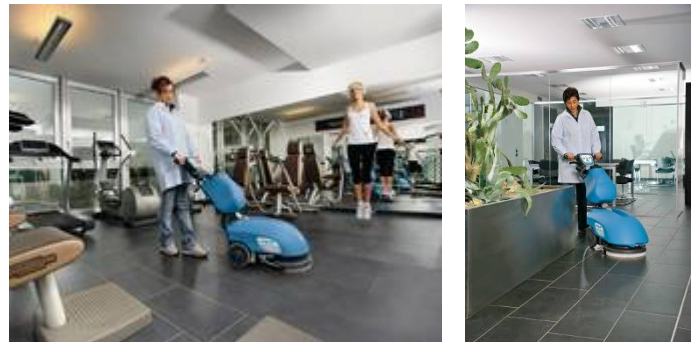

Effortless cleaning **around corners** and **along walls**.
 The Genie is the only scrubbing machine that scrubs and dries perfectly even on bends.

So small! It can clean everywhere.

- Toilets
- Kitchens
- F&B Outlets
- Offices
