

VACUUM CLEANERS

SuperVac WD

Complete Range of Wet / Dry Vacuum Cleaners

SuperVac WD 151

SuperVac WD 301

SuperVac WD 602

SuperVac WD 902

The SuperVac WD series is designed for medium to large size areas. Used together with the single disc machine for basic cleaning tasks such as stripping and wet scrubbing. This results in total cost efficiency and convenience for the operator.

5 Important Benefits

- ✓ **Powerful Motors** - built with brand named motors for super efficient water pick up
- ✓ **Durable Translucent Tank** - will not rust and waste water level can be observed easily
- ✓ **Ease of Use** - ergonomic curved stainless steel extension tubes
- ✓ **Easy Maintenance** - bump-proof translucent plastic barrels show visible waste water levels
- ✓ **Multipurpose** - a wide variety of accessories to clean spillages, small areas or any other specific needs
