

# ODOUR CONTROL

## Bravo Urinal Screen *Lasts Up To 45 Days*

6041-990001 (72 screens per case)

Innovative Bravo urinal screens offer powerful deodorising performance with strong fragrance release that lasts up to 45 days. The patented shape provides superior fit in all urinal styles with a ribbed surface designed to reduce splashing.

Available in mango and wildflower fragrance. Made in USA.

### 7 Important Benefits

- ✓ Deodorises and cleans urinal & drain
- ✓ Powerful and long-lasting performance
- ✓ Eliminates need for special sprays
- ✓ Prevents calcium scale build-up
- ✓ Maximises drain flow
- ✓ Environmentally friendly
- ✓ Biodegradable

### Fragrances available:

Mango

Wildflower

Widely used in Singapore

## Exodor Deodorant Discs *Maximum Strength to Eliminate Odour*

6041-990011 (Mango, 100/packet)  
6041-990012 (Sunglow, 100/packet)  
6041-990011-1 (Disc Holder)

Exodor deodorant discs are powered by essential oils that react with odour molecules to form odourless compounds, rather than simply masking smells with fragrance.

Suitable to place it in the toilet, kitchen, waste container, air-con ventilation, etc. Made in USA.

### 4 Important Benefits

- ✓ Powerful and long-lasting performance
- ✓ Eliminates need for special sprays
- ✓ Lasts for 1 week
- ✓ Portable and can be placed anywhere

### Fragrances available:

Mango

Sunglow
