

TTS Bello

Superior Quality

Multipurpose janitorial trolley that allows all tools to be at the right place for **easy access**. Beautiful covered trolley that is functional, practical and robust.

Designed and made in Italy.

5 Important Benefits

- ✓ Polypropylene makes the trolley structure robust and not brittle
- ✓ Ergonomic and smart design reduces fatigue
- ✓ Lock and key system for safety
- ✓ Drawers for maximum space optimisation and organisation
- ✓ Additional drawers available to have different combinations for drawers compartment (available in 22 L and 40 L)

TTS Bello
2082-930016

- ✓ Block system to **avoid drawers to fall out unwantedly** (shown with optional large drawer)

- ✓ **Key available to lock** the drawer to prevent theft and incorrect use

- ✓ **User-friendly** and easy to push
