

## TTS Maxi

**Durable & Essential**

2082-930002

## TTS Mini

**Compact**

2082-930001

Durable and long-lasting janitorial supplies. With proper usage, many TTS trolleys have been used for up to 5 years or even more. Rilsan-coated to prevent rust at metal parts.

Designed and made in Italy.

### 5 Important Benefits

- ✓ Polypropylene makes the plastic trays and trolley structure robust and not brittle
- ✓ Double mop buckets to ensure superior cleaning results
- ✓ Colour coded 6 L buckets and 15 L mop buckets to prevent cross contamination
- ✓ Original TTS wringer to provide excellent mop drying results
- ✓ Slim design for narrow corridors
