## **TIPS** How to Use Window Squeegee?

- ✓ Use a lambswool to spread glass cleaner over the entire surface generously.
- ✓ Use the window squeegee in one continuous motion without any breaks.
- ✓ When squeegee is taken off the window panel, wipe it dry with a clean cloth.
- ✓ Put rags at the bottom of the window panel to absorb the waste glass cleaner flow off.

26 cm x 8 cm

**How Spraygee helps cleaning?**

Spraygee is specially designed for cleaning toilet mirrors, counter tops and window panels. Requires just a bit of water, the microfiber pad works best when damp.

For high windows where using a lambswool is impractical, spraygee is able to be affixed on the telescopic pole to clean such windows easily.
