TIPS TTS Luxe 30 Mop Bucket with Wringer is best used with:

✓ Pro-Stick 140 cm

Stronger, thicker mop stick with powder-coated body to prevent corrosion. It is 3 x more durable with stronger riveted screw end than normal sticks. Suitable for professional use.

✓ Pro Mop

Great for Floor Cleaning: a lighter, stronger, easier-to-clean mop. With the loop-end and ribbon design, Pro Mop is more durable and prevent entanglement.
