Bissell Carpet Sweeper Dual Rotating Brush

Great for Quick Pick-ups

Bissell Carpet Sweeper provides a simple and inexpensive way to keep carpet, rugs and hard floors clean. It is ultra portable and very easy to use. This is a great tool to pick up daily dirt and unexpected dry debris. Sweepers are also suitable for cleaning loose rugs that might otherwise get sucked up during vacuuming. The unique twin roller brush system with 4 corner brushes effectively sweeps and collects from all corners of floor in both forward and backwards motion.

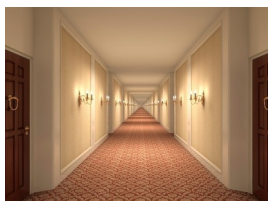

Entrance

Elevator

Office Cubicle

Low Pile Carpet

5 Important Benefits

- ✓ Ultra quiet - No motor system, great for cleaning at restaurants, hotels, schools, offices, hospitals etc
- ✓ Better sweep - 4 corner brushes with 2 rows of brushes
- ✓ Life-long product lifecycle - Brushes can be replaceable
- ✓ Easy to manoeuvre - Clean forwards and backwards, soft rubber wheels for smooth motion on floors and carpet
- ✓ Durable build
