

SCRUBBING MACHINES

Made in Italy

FIMAP FM43 Orbital

Robust & High Performance

FIMAP FM43 Orbital is a new-concept single disc machine that uses the orbital and rotational movement to significantly enhance the cleaning results. It allows operators to achieve consistent and great results within half the time compared to other conventional single disc machines.

Suitable for heavy duty cleaning tasks. With Zaoh Specifications.

5 Important Benefits

- ✓ Save cleaning time, consumption of water and detergent up to 50%
- ✓ Less energy consumption due to orbital movement
- ✓ Easy to control - front / back movement
- ✓ Very robust construction
- ✓ Versatile - suitable for many floors: vinyl, carpet, cement, wooden, marble, etc

Cleaning Machines

Safety System

The machine only activates when the handlebar lever and the button are pressed simultaneously

Easy to Control

Front / back motion only

Removable Tank

15 L removable water tank for convenient refilling

Twin Nozzle

Covers twice the area with cleaning solution

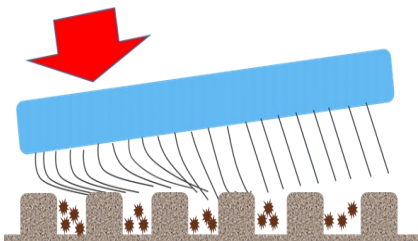

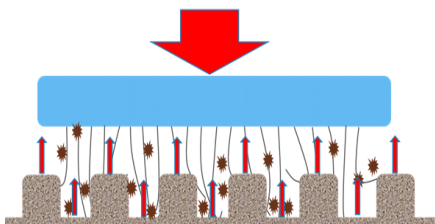

Easy Pad Replacement

Brush head can be tilted to 90° for convenient pad replacement

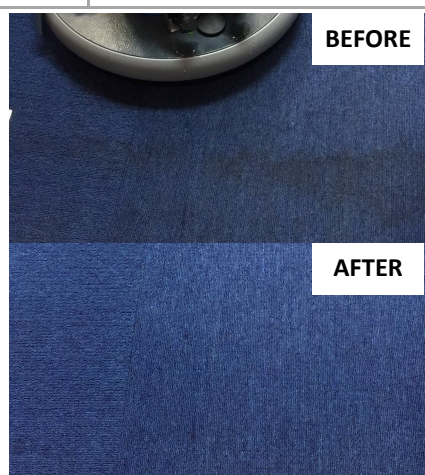

Removable Head

Removable head for easy loading

	Conventional Single Disc Scrubber	FIMAP FM43 Orbital	Remarks
			
Weight	40 - 50 kg	65 kg (Scrub head 45 kg)	Similar weight
Handling	Swinging left / right. Training required	Front / back motion. No training required	Easier handling
Brush Angle	 Tilted	 Perfectly down	Much better floor contact
Revolution	150 - 175 RPM	1400 RPM	Weight and speed gives powerful scrubbing results
Solution Release	Gravity fed	2 options: Gravity fed (floor) Front nozzle spray (carpets)	Much dryer carpets / bonneting
Transport	Carry the whole machine up to vehicle	Scrub head can be separated from body for easier loading	Easier loading

Rubber Tiles

Carpets

Old Floor Tiles

Technical Specifications

Machine Name	FIMAP FM43 Orbital
Machine Type	Scrubbing Machine
SKU No.	2163-400028
Machine Dimensions (cm)	70 (L) x 49.5 (W) x 122 (H)
Weight	65 kg
Power Supply	230 V
Brush Speed	1400 RPM
Tank Capacity	15 L
Working Width	43 cm
Cable Length	15 m

Accessories

Item	SKU No.
Extension Cable 15m + Schuko Plug	2164-Z-441250
Nylon Brush	2164-Z-441119
Pad Holder	2164-Z-441120
FM43 Water Tank Kit	2164-Z-224811
FM43 Pad Holder Sand Paper	2164-Z-441613

FIMAP FM43 Orbital is supplied complete with 1 x pad holder, 1 x brush, 1 x extension cable and 1 x water tank.
