

CARPET CARE

Made in Italy

Wirbel Carpet Extractor

Two Models, Double Efficiency

Cleaning Machines

Maxi CE 56 / 2

Mini CE 11 / 1

Wirbel Carpet Extractors are available in 2 different models: Mini CE 11 / 1 and Maxi CE 56 / 2.

Both machines are high quality carpet & upholstery extraction machines made in Italy. They can be used to vacuum, wash and dry all types of textile surfaces.

Equipped with stainless steel container (11 L / 56 L) and powerful vacuum motors of 1300W and 2650W, both can deliver impressive cleaning results. The Wirbel CE 56 / 2 incorporates a pair of independent twin 60W pump to produce 4.25 L/min of water at 6 bar pressure.

The 2 machines are supplied with standard / optional accessories which make them more suitable for cleaning large carpets, upholstery or car interiors.
